The Pastor's Corner

Rev. Wayne P. Snodgrass, D. Min.

Blessings to you all!! I would like to take this time and thank the members of Progressive Union for your faithful support during the revival. I appreciate the love shown to my friend, Dr. Leonard Smith. I feel our evangelist really blessed us and gave great sermons that fed our souls. I certainly hope all of

Rev. Wayne Snodgrass

you were touched as a result of the great week we had. I'm sure there were persons who felt the presence of the Lord and have made some decisions that have not been expressed yet. Every opportunity to grow and become what God desires can only be a blessing to our church.

I also want to take the opportunity to encourage the membership and community, to be a part of our Cancer support Ministry. Each month, under the leadership of Sis. Rosalyn Alexander, efforts are being made not only to comfort those with the disease, but also to inform others. I feel this will help so many in our congregation that are dealing with various stages of this disease. Spouses need to attend, and family members should also receive the critical information as our families face this disease. We call this ministry Can-Survive. We want to face the positive and not the negative.

Lady Evelyn has been selected to do clinical trials as a way of curing her cancer. This will require other trips to M.D. Anderson Cancer Center in Houston, Texas. We praise God for what we have experienced. We brought so much informative ma-

terial back with us when we returned last month. We thank you all for your constant encouragement and support.

I pray that we will all continue to make efforts to maintain the spirit that has been displayed this year, in the events that remain for the year. This August will be my last month as an officer in the Progressive National Baptist Convention. That means I will have less demands pulling on me away from the church, as I will no longer be a national officer. I appreciate the opportunity to serve our great national convention that will celebrate our 50th annual session this year in Washington, D.C. President Obama is expected to attend this event. With Men's Week, Church Picnic, Women's Day, Youth Retreat, City-wide Revival and Annual Church Conference still to come, our full support is needed as we work toward becoming a Five-Star Church. We must maintain that spirit of enthusiasm, and be a church that truly believes in itself, and in the blessings of God. As we are on the "downhill side" of the year, I would like to thank all of you for a job well done this year. It has been a blessing to me and to the community as a whole. I realize it has been long and tiring, but God has been with us and help us to become what we can become.

This month, we are asking each auxiliary to begin making plans for 2012. Carefully look at your budgets, your mission and your leadership. It is necessary that we be the excellent institution that God has called us to be. We are going to employ the things we are learning and discovering from our strategic plan. Careful planning will help us be reflective of the One who has saved us by his grace. Now that we are the blessed, let us march on to be "A church in the word, making a difference in the world!"

Deadline for the September issue of the PROGRESS is Sunday, August 28, 2011. Please place your articles in the PROGRESS mailbox located in the foyer of the FCLC or e-mail them to progress@pumbchurch.org.
