The Pastor's Corner

Rev. Wayne P. Snodgrass, D. Min.

Had it not been for the Lord who is on our side, where would we be? It is of the Lord's mercies that we are not consumed. His mercies are renewed everyday. I'm thankful he has given me another chance to get it right.

Rev. Wayne Snodgrass

This is a very exciting month in the history of Progressive Union. There are so many things that will be happening this month and we pray that all members will enjoy and benefit from the events of this month. Leading the list of events will be the celebration of our Church Anniversary.

It is because of the grace of God we celebrate a beautiful occasion, our 66th Anniversary. We have been a successful church. Many persons have called us a large church, but we are a successful church. If there is successful ministry, there will be growth. Let's not be a large church, but let's be a small tangible, transparent church. Let's get to know one another and grow together.

We welcome back Rev. Elliot Ivey, a former Associate Minister who now pastors in Oakland, CA. He also will be the preacher for the G.H.I.M.F. City-wide Revival in October. Over the years we have been blessed by persons who brought their experiences from all over this world and shared them with us. We are a very unique congregation. Like the Apostle Paul, we have tried our best to be all things to all men, that we may save some.

Our Youth Week and Youth Day, will be great events. We are inviting Minister Tramaine Snodgrass (no relation). I have heard of his preaching and look forward to his being with us. Activities for Youth Week will be different this year. We will

do more seminars and group sessions, hoping to bless our youth in a better way.

Vacation Bible School observances will serve to bless us again. This year we will have two separate weeks of study. The first week will be our usual time, and there will be a special session the third week in June.

We realize this is a vacation time of year, but please don't be slack in church responsibilities. The mission of the church must continue. Please be sure you are a witness in all you do so the work of the Kingdom still goes forth.

May we go forth this year, to inspire others to reach the plateau that we have reached. We've come this far by faith, and His grace is the only reason we are, "A church in the Word, making a difference in the World!"

Making a Difference in the World (Part 30)

What is Our Responsibility in Saving Our Children?

Here at Progressive Union we proclaim to be "A Church in the Word". Bible studies are held Monday through Thursday, and Sunday school on Sundays. Truly our first responsibilities are to learn of God's word. (Psalm 25:4, Psalm 27:11). Then we are to keep his word. (Luke 11:28, Matt. 5:48) Our second responsibilities are to train our children spiritually as God commands. (Act 5:48) We are to suffer not our children to the nurture of God. (Matt 19:14. As a parent we are teach our children to honor their parents. (Col. 3:20) We are to chastise our children. (1Tim. 3:4, Rom. 8:32) And Fathers you must rule your household. 1Tim. 3:5.

I attended the Father's Daughter banquet and Jr. Brotherhood the following Monday. I was very disappointed when only four daughters out of approximately twenty four testified that they got spiritual and moral support from their fathers. All the other young ladies testified that they loved the fathers because they spoiled them with worldly things. Then in Jr. Brotherhood most of the young men testified that they loved their fathers because of worldly things.

Until we do things according to God's word we are failing God's world, ourselves, and our children. (1Tim. 6:10-12, 1Tim. 2:19-24). Consider this

prayer before you start your day.

Dear Lord, may my eyes be fixed not just on the things I am interested in, but lift my eyes to see the needy souls around me. Give me passion for the lost and the joy of seeing others satisfied in you by the sacrifices I can give.

Progressive Union Missionary Department outreach ministries need your sacrifices. Please join us today. Contact James E. Smith at: Phone 256-852-7046, Email: james.e.smith-1@att.net.

We must put God's word into action before we can proclaim to be "Making a Difference in the World" and save ourselves, our whole and our children.
